The clause provides for appropriating amounts, to be paid wholly out of the revenues of the District, necessary to pay the costs and other incidental expenses as are set forth in section 3 of the act providing for the payment of certain claims against the District by drawback certificates, in challing such fees to the auditor of the supreme court of the District for his ser-vices under the act as may be fixed and allowed from time to time by the Commis-

Comptroller Bowler recommended the clause after receiving from Auditor Payne a letter asking how he was to be compensated for his cervices to the courts.
